

To All Our Friends at Stereo Planet:

This letter is long overdue and for that I apologize. Chuck and I wanted very much to thank you for the amazing Home Theater and sound system you designed and installed in our new home in Widgi Creek. It is absolutely outstanding and the envy of our family and guests who have had the opportunity to experience and enjoy it.

We can't say enough for the professionalism, attitude, and talent of virtually each Stereo Planet associate we dealt with in every facet of our systems planning, coordination, selection, installation, performance and ongoing support. It would be our pleasure to serve as a reference for you at any time in the future. You were a poster child for a great business experience.

Our best wishes go to each of you for a wonderful holiday. And thank you again for such a positive and memorable interaction.

— Chuck and Evi Miller
